Mile High To Spain

Once Home from work Gareth rips off Wendy's business suit flings her on to the settee then whips off his own clothes and remarks 'Before I go I might as well give my slut a good bye fuck!'

Gareth then gets his wife to suck his cock while he eats her hairy pussy before pulling her off the settee and rolling her on to all fours for a fuck doggy. As they are fucking Tracy Wendy's older sister walks in and seeing his bag jokes 'That's it give my slut sister a good bye fuck then finally come to live with a proper woman not a tart who drops her knickers for any one men or

woman!

Wendy on hearing this raises her middle right finger and remarks 'Fuck you sis!'

Tracy laughs, settles down to watch her sister and brother in law fucking, Gareth ramming away like a piston until he can hold on no more and finally gives in and shoots a load of hot salty man juice in to his wife's hairy pussy. Tracy then walks over to her brother in law and starts to lick his cum covered cock until he is once more erect and this time he is the one on the floor as Tracy and Wendy take it in turn to fuck him

eventually finishing off with Wendy and Tracy on their knees in front of him as he shoots off another load of salty man juice.

Once he had finished Wendy headed up stairs to shower

Gareth follows his slutty wife up stairs to dress and while

Gareth was slipping on his trainers there was a knock on the

door so a naked Tracy answered and found Linda Lusardi

standing there in a see through summer dress Tracy could see

that she was only wearing a tiny thong and hold up stockings.

Tracy kissed Linda and remarked 'Looks like Gareth has finally

come to his senses and left my slut sister for a proper

womanlike me!

Linda laughs and Wendy can be heard shouting from the landing 'In your fucking wet dreams sis!'

Linda then grabs Tracy's hand and places it inside her thong
Linda's hairy bush was hot and wet 'Do you think Gareth will enjoy this?'

'MMM what do you mean?' Tracy asks withdrawing her hand.

'Well IM taking my married boyfriend for a fuck filled weekend at The Company's as my husband is using mine to film the company's new adult movie!'

'So my Gareth has not come to his scenes and left my sister?'

'No this weekend her ex sister in law and my skank step mum are joining her for a lesbo fuck filled weekend as Sue and Steve are away in the Greek Islands Tracy!' Gareth replies kissing Tracy as he pinched her bare ass while walked out holding his weekend bag.

Tracy kissed him good bye promising to keep a eye on the dirty dykes for him and make sure Wendy and his step mum do not get out of order.

Gareth places the bag in to the boot, as Linda sits in the drivers

seat she smirks and then reaches up her dress and then to Gareth's surprise she yanks down her thong and remarks 'I can not drive when wearing fucking knickers they play hell with my pussy riding up in between my pussy lips in to a camel toe which in turn rubs me clit causing me to cum!'

Linda then tosses the thong on to the back seat and then starts up the car making sure Gareth can see her hairy mound just teasingly on view and by the bulge in his shorts he liked the view, as they are passing a wooded car park Linda pulls in, stops the car unbuckles her seat belt leans across and

kisses Gareth. She then reaches in to his shorts. 'Some one could do with a blow job!'

Linda Lusardi remarks as she pulls down his shorts taking him in to her mouth starts giving him head until Gareth can not hold on any more and he fills Mrs Lusardi's throat with creamy cum.

Once Linda had finished swallowing they get out of the car and

Linda lays on the bonnet her dress up around her waist and

Gareth eats her out until she also has cum.

They get back in to the car and finish the journey to the airport

where they board the companies private jet for the flight to Spain.

Now on the jet and flying over the English channel Linda takes Gareth in to the planes bathroom lifts off her dress so that she is now standing there in just high heels and hold up stockings. Gareth removes his shorts and top and then Linda sinks to her knees and gives him a blow job until he his fully erect, and once he is fully erect Linda Stands up and then Gareth spins Linda around so that she is bent over the sink and starts fucking her doggy style one of his feet resting on the marble top as he pumps her hard only stopping to shoot his load deep in to Miss Lusardi's hairy fanny.

Once they had finished fucking Linda turns to face Gareth
kisses him and then remarks 'If you are going to fuck me this
weekend my fucking furry triangle Ill be wet has fuck, Ill be
more than likely fucking gushing and dripping!'

'Who says that by the end of the weekend you will still have a
hairy fanny I might have tied you to the bed and shaved off that
fucking jungle of yours!'

'You and who's army I know that Wendy wont let you shave
her fanny and like me she likes a nice fucking bush!'

Both Gareth and Linda laugh has the stewardess knocks on the

door and asks 'Linda have you and your fellow company director finished joining the mile high club?'

'Oh yes we have and Sophie is the pilot ready for his blow job?'

Linda asks.

'Yes he is and Linda don't worry ill look after Gareth!' Sophie remarked as Linda opened the bathroom door and still naked walked out only to be replaced by Sophie stripped to black silk suspenders, stockings and high heels. 'Fuck I forgot how big your tits are Sophie!' Gareth remarks on seeing Sophie's fake breasts.

They kiss and then Sophie sinks to her knees and sucks Gareth to full erection before wrapping her big 49 GG around his cock and wanking him for a while. Sophie then stands back up and bends over squashing her puppies against the marble top as Gareth eased his prime horse cock in to her wet well fucked fanny. Gareth once more placing his leg up on the marble top as he starts to pump away. Sophie is soon moaning and groaning as orgasm after orgasm firstly ripple then turn to a flood.

Gareth stops and Sophie thinks that he is about to cum but he

had other idea's and she soon feels him rim her arse inserting his tongue in to her rear hole but then it is replaced by his cock as he remarks 'I bet your not the only stewardess on the company private jets that take the bosses cock up her fucking arse!'

Sophie moans 'Oh I love cock in my arse oh yes fuck my arse fuck me until you can take me no fucking more!' as Gareth starts to slam her back door.

After a short time Gareth moans 'Oh fuck I am going to fucking cum!' as he pulls out of Sophie's well rounded arse and gets her

to wank him off on to the mirror and marble top.

Linda walks in to the cockpit kisses Dan who is already naked from the waist down then spat in to her hand and on to the big pink bell end of his black horse cock and started wanking him, rubbing all the spit in before taking him in to her mouth and sucking him. As Linda gave Dan a blow job he keeps one hand on the control while using the other hand to guide her head up and down his black pole. After about quarter of an hour Linda stands back up get up straddles the pilots chair and while Dan still flew the plane she lowers her hairy pussy down on to his

dick and fucked him cow girl Linda screaming as her hairy pussy juice flooded out like a river filled by storm water as Linda climaxed multiple times. When Dan was ready to cum Linda up off his cock and soon back down on to her knees Linda wanked Dan off until he climaxes.

Once Linda and Dan had finished Linda leaves the cockpit and returns to Gareth who is dressed and sitting at the bar with Sophie also dressed serving a drink so Linda enters the bathroom looks at all the cum dripping off the mirror and marble tops on to the floor grins puts on her dress and returns to the

bar. 'Looks like Sophie you did keep your word and looked after Gareth!'

Sophie hands Linda a cocktail and then also takes one her self.

After about 2 and a half hours in the air they come in to land and Gareth bids farewell to Sophie. They go through the private jet arrival area and head out to where Linda and Gareth get into one of their companies Spanish registered 4x4 that is kept at the airport..

The Company Spanish Villa

Carol the house keeper was busy getting the Villa ready when the two pool cleaners turned up so she shows them through to the pool. Once inside was completed she went out on to the patio and then started to clean up there Carol was not wearing panties any under her outfit and she knew the two young pups as she always called them could see her neatly trimmed bush every time she would bend over her outfit would ride up and on this occasion when she turned round after giving them a good flash both the pool cleaners had pulled off their shorts and were wanking their big 8" cocks in their hands.

Carol calls them over, pulls up a patio chair and sits pulling up off her outfit revealing her neatly trimmed bush and stocking tops held in place by black suspender straps from a set that her husband Carlos the Gardner had bought for her on her 60th birthday last year. Carol takes one male in her mouth while she jacks the other off then she swaps over and after doing this a few time Carol suggests that they move to the pool. Both the males slip in to the pool so that they stand with water up to their waists, Carol meanwhile gets up on to the pools spring board and dives in still wearing her stockings and suspenders and

swims over to the two males. Carol kisses the first male on his lips exchanging tongues while the other male kissed his way down to her pussy and licked her out underwater. Once he had surfaced Carol kissed him also exchanging tongues while his mate took his turn to eat Carol out underwater.

After nilly a quarter of an hour Carol submerges and give both males a underwater blow job before she is spit roasted in the pool. Luckily for Carol she could hold her breath for a good while and did not need to come up for air much.

Has she is being given a good spit roasting in the pool Linda

and Gareth turn up and seeing Carol was busy went in and headed straight up to the bedroom where they stripped and Linda gave Gareth a blow job while he ate her hairy thigh 69 before Gareth fucked Linda Lusardi up against the bedroom wall missionary while standing her legs wrapped around his waist as he held her. Linda was soon screaming and they could have been back at the paradise resort fucking in the hotel room as Wendy and Peter sleep in the next room but this was their company villa and anyway the only other persons here was the house keeper and the pool cleaners and they were

busy in the pool. To finish off Linda got down on to her knees and wanked Gareth off in to her face.

After they had finished Linda grabs her dress and uses it to clean Gareth's salty cum off her face before putting it back, and then they head back down to the pool, were they find Carol now back in her maids uniform cleaning up after the fuck, the two pool cleaners are dressed and gone.

'Carol this is Gareth he is one of the company directors and my married boyfriend we are staying for the weekend so that his wife can host a dirty week end with her lesbian lover and

Gareth's step mother. Gareth loves shagging so if I am not around he is all yours and even if I am around we can make it a threesome he loves mature pussy just ask his mother-in-law as well as ex page 3 jungle!

Carol laughs and replies 'What's he like in the pool!'

'He is fucking great he is a expert cunt licker!'

'OK lets find out how good your married boyfriend is!'

Carol and Linda strip grab a still dressed Gareth and between them toss him in to the pool then both dive in after him.

Gareth swims over to Carol and kisses her, then ducks under

and starts to eat her cunt. While Gareth was eating Carol out under water Linda takes a deep breath and submerges and starts to suck Gareth's cock until he is fully erect. Once he is fully erect once more Linda surfaces kisses Carol and once Gareth has resurfaced for air all three submerge and fuck on the bottom of the pool until Gareth climaxes only coming up for air.

After the underwater fuck Linda leaves Carol and Gareth playing in the pool and heads off to shower. Linda stands under the cooling water playing with her hairy thatch eyes closed has

she reaches a state of sexual arousal and when she opens her eyes she finds Gareth standing the other side of the glass door cock pressed against the glass wanking away watching Linda in the shower. Gareth then opens the glass door and asks 'Any room for one more in here?'

Linda smiles 'Oh yes just step in and close the glass door behind you!'

Gareth steps in and they are soon fucking up against the wall of the shower but this time he was not in her hairy thigh but in her arse and Linda Lusardi was enjoying taking it like a slut.

Gareth fucks Linda until they both can take no more and they moan in unison as both adults climax, Gareth filling Linda's arse with cum as Linda who had been still playing with her fur climaxed both in the pussy and the arse.

After the fuck in the shower they dry each other down pull on robes from the bedroom and head down to the kitchen were they find Carol now back in her maids outfit cooking them supper. Gareth turns to Linda and remarks 'Dose your maid always have to ware her outfit with out any underwear on if she was mine she would be made to parade round in just her

stockings, suspenders and high heels!

Linda laughs and replies 'When it is just me and Peter here she does and many times when Carol is like that I have caught Peter having a wank!'

'Yes there is nothing like having her husband wank over me!'

Carol replies as she brings over the evening meal. After they have finished Gareth and Linda head up to bed where they are soon heard by Carol fucking well in to the night. Carol cleans up removes her outfit and grabs her dildo heads off to bed and fucks her self to sleep using her dildo.

The next Morning Linda is woken by the light seeping in to the bedroom and the movement of her naked married boyfriend still sleeping beside her. Linda looks at his limp cock no foreskin like her husbands who at this very moment was at their villa more than likely fucking some female from the crew or a female star in his movie at Linda's Ibiza Villa.

Linda kisses Gareth's chest then makes her way down to his tool and gently kisses the big pink bell end before taking his whole length in to her mouth.

Has she sucks her lovers cock Gareth moves opens his eyes

and groggy remarks 'What's happening!' forgetting that he is in bed with the best page 3 babe ever in his eyes. Linda looks up and with a grin replies 'Your getting your cock sucked Gareth!' Linda then returns to sucking Gareth's cock.

After a while Linda stops looks back up at Gareth and remarks 'Oh I do love giving a blow job first thing in the morning but I also love having my fucking cunt licked has well!' as she holds the base of Gareth's pulsating tool.

'Well get that fucking hairy thatch in my face and Ill fucking lick that fucking retro cunt of yours as you give me a fucking early

morning blow job!' Gareth replied now fully awake.

Linda shuffles her body so that her legs are soon over Gareth's shoulders on the bed his face buried in her hairy thigh licking away has she sucked his cock, then after a while Gareth mutters 'Its too fucking warm in here for a fucking 69 lets go out on to the balcony!'

So they get up off the bed and still in the sixty nine walk out on to the balcony and continue where any body from the other villa's could see. This did not bother Linda has she always liked the idea of being watched when she and Peter are having a

open air fuck.

Both Gareth and Linda are so engrossed in the 69 that they do not hear Carol enter the bedroom wearing just stockings and suspenders looking to see if Gareth fancied a fuck but Carol on seeing them in a 69 on the balcony silently backs back out and heads down to the pool and dives in after removing her stockings and suspenders and starts to wank her own pussy while watching the 69. Linda is the first to cum squirting pussy juice over Gareth's face soon to be followed by Gareth who shoots his salty load down her throat. Carol is also soon cumin

in the pool and once she had relieved all that pent up sexual tension she climbs back out of the pool and picking up her stockings and suspenders heads in to dress and make breakfast.

Mean while up on the balcony Gareth gently helps Linda get down off his shoulders and they head back in to the bedroom were they grab some bubble bath and head in to the bathroom Linda runs the sunken bath filling the water with the bath gel Once the bath is full they step in and they are soon kissing which eventually leads to them having sex in the bath tub, the

bubbles and water splashing every where until they had both climaxed once more. As they are relaxing in the bath Gareth kisses Linda, holding her breasts in his hand remarks 'Fuck I have not had such great sex in a bath with my mum since Wendy had ours converted to a shower for her fucking rug munching week ends with Jo and my fucking bimbo secretary!'

Linda laughs as she had also been to some of Wendy's rug munching week ends with Jo when Gareth has been staying with his bi sexual mum and mother in law for some

threesome action. They get out of the bath dry each other down and then head back to the bedroom where they dress and then head down to breakfast.

When they arrive Carol is wearing her maids outfit but this time only has hold up stockings on and when she sees them enter she turns and remarks 'Did you both enjoy the 69 out on the balcony this morning!'

'Yes we did and did you enjoy watching Carol?' Linda replies.

'Oh yes I did I had a good cum in the pool I might have to call in the cleaners again!' Carol replies, 'Did Gareth cum Linda?'

'Oh yes he did and he filled my throat with sticky hot man juice!'

'So what have you got planned for today Linda?'

'MMM Carol I might take Gareth for a dive in the boat and maybe fuck him underwater!' Linda replied with a sluttish grin.

Linda knew that Gareth was a fully qualified diver and had always wanted to fuck under water and when on his honeymoon in the Seychelles Gareth and Wendy had hired a dive boat and had done that dived down stripped off and fucked on the sea bed.

They finish breakfast and then Gareth takes off his top and then

in just his shorts heads out to relax for a while beside the pool leaving Carol and Linda in a lesbo 69 on the floor of the kitchen. After a while of relaxing beside the pool Gareth goes for a dip and while he is swimming he sees Linda standing over the pools deep end ladder so he swims over. Mrs Lusardi is wearing a short cotton summer dress and Gareth can see right up her dress and see her hairy thigh. 'Ready to come snorkelling lover?' Linda asks.

Gareth climbs out of the pool dries himself off grabs his top and they head off in the 4x4.

They pull in to a marina and walk the short distance to the boat that Peter and Linda own. The small craft reminds Gareth of the rigid raider that he used to coxswain in the navy. Linda starts it up and a person on the dock side tosses her the stern line then the bow line and they are soon out of the marina and in a shallow bay. Has Gareth strips off his top and shorts so that he is in speedos Linda tosses out a small anchor to secure the craft to the sea bed then turns to face him grabs the helm of her dress and pulls it up over her body until it is completely off and grabs two pairs of fins masks and snorkels Linda hands one set

to Gareth and puts on the other set.

Once over the side and in the water they start to explore but soon Gareth is taking the snorkel out of his mouth to eat Linda out and after he had made her cum Linda gave Gareth a blow job as he floated on his back in the sea. Gareth holding on to his speedos.

After they had given each other oral they swim back to the craft and climb aboard and had mad passionate sex in the craft Gareth fucking Linda doggy over the controls and even up her arse before she jacked him off on the bow in to the sea.

Now that they are back in the 4x4 and heading back to the villa

Gareth looks at Linda and then remarks 'Fuck I have enjoyed

today's sexual action and it is making me hard!'

'Well fucking whip it out and wank if you want I don't mind!'

Linda replies.

So Gareth whips off his shorts and has a wank in the front

passenger seat of the 4x4 and by the time they arrive back at

the villa the front passenger seat is covered in man juice.⁴

Carol's Caught Doing The Gardner AgainCarol clears away the

breakfast dishes and cleans up the villa before getting in to the

pool Carol stripped off her uniform leaving on her hold up stockings. She dives in and has a lazy morning in the pool followed by a nice lunch then a afternoon in bed with her husband.

By the time they have finished shagging Gareth and Linda have returned so Linda drags Carlos back up the stairs for a fuck leaving Gareth with Carol who is soon giving Gareth a blow job on the stairs. After Carlos had finished screwing Linda's brains out and Carol had sucked Gareth off he headed back to Linda and Peter's villa to get the lawn ready for a film shoot tomorrow

so while Linda showered Gareth washed, shaved and dressed then headed down stairs where he finds Carol preparing the evening meal in just her fishnets , heels and suspenders Gareth walks up behind Carol grabs her waist touching her pussy and remarks 'Fuck some one is even more fucking wet!'

'Yes and by the bulge pressing against me some one will need fucking quite soon!' Carol replies causing Gareth to laugh.

Gareth spins her around opened his shorts which fall to the floor and remarked 'Get ready to take a big hard cock in that fucking old slack fanny of yours after you have put some lip

stick on my dip stick you fucking slapper!' Has Gareth pushes her down on to her knees and gets her to suck his cock. After sucking Gareth for a while she is then lifted up on to the work surface her legs spread and inserting his cock starts screwing Carol. Has Gareth fucks Carol Linda comes down from her shower and grins at the sight of her married boy friend screwing the house keeper.

Gareth and Carol's fuck dose not last long as he is soon shooting his load in to Carol's slack fanny.

After he had finished Gareth pulls his now limp dick out of

Carol's wet fanny and then turning to Linda Lusardi remarks

'Fuck I have fucked some fanny in my time and that includes my step mums has well but Carol has to be the most well used fanny my cock has ever been in!'

'Yes Wendy has told me about your step mum riding your dick!'

Gareth kisses Linda and replies 'Well my step mum always said once I turn 18 I was fare game!'

Carol came over to Gareth and Linda kissed Gareth and replied

'Was I has good has your step mum?'

Gareth grins 'Yes has good has my step mums cunt!'.

They have their evening meal and spend the rest of the evening

and well in to the night in the hot tub drinking wine also having
some good fucks before retiring to bed.

Book 3

Some More Fun Before Heading back To The UK

Linda And Gareth's Jet Ski Fuck Gareth wakes up first so turns to face Linda Lusardi props himself up on his elbow starts to play with her tits then her thatch. After a while he whispers 'Linda your horny lover wants a tit wank. Just seeing those big fuckers begging to be fucked is making me hard!' in to her ear. Linda opens her eyes grins and replies 'So no morning blow job you want to fuck my big fucking tits!' Gareth gets up slides his rock hard cock between Linda's breasts as she wraps them around his meaty tool and starts giving him a tit wank until he shoots his creamy load all over her

bags of fun. After the tit wank they share a shower and head down for breakfast before heading to the jet ski hire at the near by beach.

Gareth paid for the hire of the jet ski Linda standing beside him in just her bikini thong and then they were measured up for their personal floatation devices, and then taken down to the jet ski where Gareth helped his topless mistress to put her floatation device on the male going to tow them out took one look at her tits and said 'With tits like those you shouldn't really need one of these but safety rules are safety rules!'

Linda just laughed as Gareth tightened up the straps. Gareth then puts his on and they mounted the jet ski, they were then towed out to the jet ski area, Linda placing her hands around his waist, but then one hand slipped down the front of his speedos and she started to play with his cock and whispered 'Lover I can't wait for us to be alone on the jet ski so that I can fuck my stud!'

Once they reached the operational area the boat towing them slipped the tow rope and headed back, Gareth started up the engine and they were away. After a while of Linda rubbing his

cock in his speedos has they bumped along Gareth cut the engine and Linda leaned forward kissed his cheek and Gareth then asked 'Linda have you ever fucked on one of these machines before?'

'Fuck Yes I once fucked one of Peter's male porn star friends while we were making a film off a Cyprus I also fucked my black instructor off the beach in Miami when I was learning to use one for the Cyprus porn shoot and also I have fucked one of the male studs who look after my Caribbean home on Peter's personal jet ski!'

The tow boat on seeing them stop return and on seeing them stands off before taking their flotation devices and swimwear for them. 'Well you can also say that you have also fucked your married boy friend Linda on one in the Med Linda!' Gareth remarked has her turned around and stood up cock fully erect. Linda just grinned before she formed a tight seal with her lips around Gareth's man meat and started sucking. After a while Gareth laid on the seat and Linda straddled him his hands on her waist has she rode him. They then swap around after a while Linda now laying on the jet ski seat holding on to the

handle bars has Gareth fucked her black hairy muff, Linda Lusardi screaming has her married lover brought her to orgasm time after time until he could hold out no more and he shot his load so that it mixed with her own creamy liquid.

After they had finished fucking on the jet ski seat they were handed their swimwear and floatation devices then towed back in to shore.

They got off handed back the floatation devices and walked back to the villa where they fuck in the pool with Carol before showering and catching the private jet back to the UK.
